

YOUR ALTIMATE SPORTS PARTNER.

SAKA AFYA FITNESS CLUB. Come from a Kiswahili word “SAKA AFYA” which means to “look for health. We don’t defer from our name. our vision is to wipe away the tears of thousands of people struggling and cling due to non-communicable diseases. Non – communicable diseases cause deaths of millions of people every year. Thus, we bring a smile to the faces of the people.

OUR SERVICE.

SAKA AFYA deal in all kinds of sports activities our goal is to motivate our environment to involve is sports activities, connecting trainers, academics, sponsors to a talented sports person respectively. A personal trainer or physiotherapists to a trainee or patient where we also expose them to simpler means of evolving in physical activities. This is for the youths, elderly, house wives, working class etc. and this is done at a free cost. Also we connect teams of technicians like GYM equipment technicians dealing in treadmill repair, cross trainer repair and other equipment to clients who may need them.

OUR STORY.

We are a team of experts ready to provide a perfect service. The founder of SAKA AFYA Fitness club Mr. Jihad Malikita has been a sports activity fan since childhood, leading him to plan of investing in sports since 1998. Thus, we provide our service with the most integrity.
